## Other Experience

For my graduation thesis, I dealt with the theme of CubeSats,  
small cubic satellites with a volume of 1 dm<sup>3</sup> and a mass not  
exceeding 1.33 kg. I also have attended a four-week English  
course in college in Hull (United Kingdom). I attended two other  
language courses through summer school for a total of two  
weeks in Madrid and two weeks in Dublin.

## Technical Skills

- Software Development
- Programming
- Project Documentation
- Basic Business Model Analysis
- Problem-Solving
- Team Working in homogeneous and not homogeneous teams
- Fluent communication and coordination
- Ability to work under stress and in flexible ways

## ICT Skills

I have good skills in using the Office suite with advanced skills in using Excel. I have a good knowledge of the programming languages such as C, PYTHON, Java, PHP, MYSQL, ASSEMBLY, HTML, acquired during my studies and for personal interest. I am able to use different environments of development such as Visual Studio, ANACONDA, netBeans, LINGO, MPL. During my studies I also used the development environment Matlab with whom I have studied the issues concerning discrete and continuous time systems and Bode diagrams creations. I also have basic knowledge of Arduino and STM32 having done projects on them that provided for the detection of temperature and humidity and the various LEDs on certain determined conditions. Knowledge of the Windows and Linux Operating System (Ubuntu distribution) and of the basic commands of Shell scripting. Basic knowledge of Audio XML music.

## Languages

Italia (Native Language)

English (B2 Certified)

Spanish (A2 Certified)

## Other

Volunteer for the local church activities

## Experiences

I am a great sportsman in fact I alternated 12 years between football and athletics (100m, relay, high jump). I am currently a professional volleyball player and have achieved many sporting achievements :

- victory in the 2018 C league championship
- victory of the Sicilian C league cup 2018
- Best Opposite Award, sicily, C league 2018.

I played 6 years in the national B series of I volleyball championships: B1 year 2015| B2 year 2014 | 3 years of national B 2017 - Current.

I participated for 3 years in the National University Volleyball Championships coming to the finals stage. I like to be constantly informed about developments in technology. I have a passion for video games.
